

Where can I park?

7,000 parking spaces are available to visitors directly around the trade fair centre and congress grounds. 950 parking spaces are available in the ICS underground garage P22 and P23. 4,200 parking spaces are available in the Bosch multi-storey car park (P20, P21). 1,400 parking spaces are available in car park P26 at the Entrance West. There are parking spaces at the airport in car parks P0, P2, P4. They can accommodate around 6,700 vehicles. You can find an overview of the car parks and the prices [here](#). Please note that different parking charges apply depending on the particular event.
